OWNERS' PREMIUMS

A UNIQUE AND APPEALING SYSTEM INTRODUCED IN FRANCE

> **Owners' premiums** consist of a percentage of the allocated prizemoney (wins & places) received in addition to the actual prizemoney, in all flat races run in France except those restricted to French bred and assimilated horses.

«Assimilated FR» horses are eligible for owners' premiums in France wherever they go on to be trained.

> **FROM 1ST JANUARY 2013, OWNERS' PREMIUMS WILL CHANGE TO :**

64% for all **2, 3 and 4 year old** horses &

43% for **5 year old and upward** horses.

> **OWNERS' PREMIUMS USING LUCAYAN AS AN EXEMPLE :**

LUCAYAN was knocked down to MAB Agency for €85,000 at the ARQANA Breeze Up Sale in May 2011
