A CATALOGUE FULL OF QUALITY FOR THIS SECOND DEAUVILLE EDITION**

---

For the second year running, the Autumn Sale will take place in the Elie de Brignac sales complex at Deauville and will bring together a large array of horses of all ages, with profiles suitable for both jump and flat racing. To be precise, 534 horses will go through the ring on Monday 19 and Tuesday 20 November. The first day will regroup 229 horses in training running under both codes and a selection of 11 store horses (unraced horses intended for jumps racing). 10 wild card entries will also be available and are intended for the most effective integration of any late entry by a horse in training. It is worth mentioning that this first day will also set the stage for the sale of 37 horses in training originating from the complete dispersal of the Ecurie J.P. Sénéchal. The second day will play host to the last yearling session of the year, made up of 294 yearlings bred for both flat and jump racing.

The Elie Lellouche trained VENEZIANO (lot 127) and the André Fabre trained ARIBAA (lot 107) have both been placed in B races this year at three and have been in the money on each of their starts. In training with Christiane Head-Maarek, FRANCASTEL (lot 111), a brother to the stallions Full Of Gold and Fuissé, is a three year old colt of irreproachable consistency and finished second in a B race last summer at Chantilly. Also aged three, SPOIL THE FUN (lot 155) runs for young trainer Christophe Ferland and recently finished second in the Prix Millkom (L) before taking the Prix du Saubouas (D) at Deauville on 24 October.

*Horses in training over jumps*

Both the Elie Lellouche trained horses WAR MONGER (lot 194) and ORANAIS (lot 229) have made their mark over hurdles: the former has been running in Group and Listed races, finishing second in the Prix Maurice Caillault (L), while the latter can boast a successful career on the flat as well as a third place in the Prix Achille-Fould (L) this year.

In training with Christophe Aubert, SADLER'SFLAURE confirmed his great potential by winning the Prix Rigoletto (L) this year before finishing second in the Prix Héros XII (Gr.3) at Auteuil, beaten just three quarters of a length by the champion mare Net Lovely. He goes through the ring as lot 215.

The Marcel Rolland trained ASTIGOS (lot 186) recently finished second in the Prix Prince d'Ecouen (L) at Auteuil, ahead of TISANE who will go through the ring as lot 210.

### **Tuesday: 294 yearlings bred for both the flat or for jump racing will go through the ring**

294 yearlings will follow one another through the ring on Tuesday 20 November from 11am. Yearlings which appear to have a more national hunt orientated profile are by renowned stallions such as ASTARABAD, CALIFET, ENRIQUE, KAPGARDE, MARTALINE, POLIGLOTE, SAINT DES SAINTS, TREMPOLINO, TURGEON, etc. as well as by promising young stallions such as BLUE BRESIL and IRISH WELLS. Some of the more eye-catching profiles include:

Yearling colts and fillies out of Group placed and Group winning mares:

- Both by Martaline, lot 372 consigned by Haras de Commeaux is a first foal out of the dual Grand Steeple-Chase de Paris (Gr.1) winner and Prix La Haye Jouselin (Gr.1) winner PRINCESSE D'ANJOU, while lot 309, offered by Haras des Goderelles, is out of LOUMIE who finished second in both the Gr.1 Prix Maurice Gillois and Gr.1 Prix Renaud du Vivier. Also by Martaline, lot 527 is a yearling filly who is a first foal out of the multiple Group placed EN LA CRUZ.

- Haras de Grandcamp is consigning no less than 28 yearlings, including most notably lot 391, a son of the multiple Group winner ROYALE ATHENIA, whose major victories include the Prix Renaud du Vivier (Gr.1) and lot 287, a son of Trempolino and the Group 3 winner KING'S DAUGHTER.
- Consigned by EARL La Mollière, lot 552 is a son of ASTARABAD and the second offspring out of GRIVETTE, winner of the Prix Alain du Breil (Gr.1) and the Prix Léopold d'Orsetti (Gr.3).

Half brothers and half sisters to Group horses:

- Consigned by Haras d'Engerville, lot 508 is a Slickly half brother to CRISTAL BONUS, a Group winner over jumps both in France and in Great Britain. Cristal Bonus paved the way for his brother, having been sold for €285,000 at last year's Autumn Sale.
- Both offered by Haras de Grandcamp, lot 502 is a half brother by Trempolino to the talented BONITA DU BERLAIS and NIKITA DU BERLAIS, respectively placed and a winner at Group level, while lot 457 is a half brother by Martaline to multiple Group winner AFSOUN and Group 2 placed AFRAD. Also consigned by the same Normandy based stud, lot 444 is a full brother to the Listed winner VIKING DU BERLAIS and a half brother by Saint des Saints to Group 2 winner ZEUS DU BERLAIS.

The decrease in the number of yearlings to go through the October yearling sale (74 lots less than last year) has given this sale an opportunity to include horses with good pedigrees coming from renowned studs such as Haras des Capucines, Haras de Grandcamp, Haras des Granges or even Haras de l'Hotellerie, Haras du Logis, Haras du Logis St Germain, Haras de Manneville, Haras de Maulepaire, Haras du Mézeray, Haras des Monceaux, Neustrian Associates, Haras d'Omméel, Haras du Petit Tellier, Haras du Quesnay, Haras du Reboursière et de Montaigu, Haras du Thenney, Elevage de Tourgeville, and Haras de Victot.
